1. SUBSCRIPTION PLANS

Lansweeper's Product is made available through various plans ("**Subscription Plans**") and for a specified duration as further described in article 4.2 (*Subscription Plans*) of these Terms.

Lansweeper currently offers following Subscription Plans, as further defined in these Terms:

- Free trial plan
- Paid subscription plan
- Freeware plan

Notwithstanding the rights and obligations described in these Terms, Licensee's permitted scope of use of the Product ("**Scope of Use**") depends on Licensee's Subscription Plan. The Scope of Use will always be restricted to a certain amount of Assets and/or Help Desk-Agents (defined below) as defined in Licensee's Subscription Plan, and may include the following additional limitations:

- restrictions on the amounts of Scanning Engines; and
- defined features and functionalities.

The Scope of Use of the Product will be identified to Licensee when Licensee orders the Product, specifically on Lansweeper's [Pricing Page](#), quotes, invoices, or through the Product itself ("**Specific Terms**"). Further, Lansweeper may at its discretion and subject to certain requirements defined by Lansweeper, make new features and functionalities available to Licensee under Licensee's (purchased) Subscription Plan. The Specific Terms form part of these Terms and are hereby incorporated.

1.1. Free trial plan

Free trials of the Product may be offered to Licensee for a specific Scope of Use as designated by Licensor ("**Free Trial**"). Licensee may use the Free Trials plan solely to determine whether to purchase a Paid Subscription.

Upon expiry of Licensee's Free Trial, the Product will revert to limited (or no) functionality of the Freeware Subscription Plan (as defined below).

1.2. Paid subscription

Paid Subscription Plans are offered to Licensee for purchase and allow to use the Product for a defined Scope of Use ("**Paid Subscriptions**"), subject to the order process as set out in article 5.3 (*Orders*) of these Terms.

If Licensee's Paid Subscription is not renewed in accordance with the modalities as set out in article 4.2.2 (*Paid Subscriptions*) of these Terms, the Product will revert to limited (or no) functionality of the Freeware Subscription Plan (as defined below) once the Paid Subscription Plan Duration expires.

If Licensee has a Paid Subscription in place, Licensee may at its own choice make use of LsAgent, by downloading LsAgent from the Lansweeper Website and installing it on its Assets. Licensee is responsible to configure LsAgent for it to connect to its Lansweeper Installation. During said configuration, Licensee will have the option to choose whether the Licensee Content is pushed directly to the Lansweeper Installation (which is the default mode) or through Lansweeper's Cloud Relay Service. In the latter case, Lansweeper will only store LsAgent data in the Cloud Relay Service for a maximum period of fourteen (14) calendar days as of transfer, after which it will be permanently deleted.

If Licensee's use of the Product is governed by a Legacy Subscription Plan, Licensee may not have access to new features and functionalities of the Product.

Help Desk-Agent: the help desk is a feature of the Product that allows sharing knowledge by Licensee within its organisation through *inter alia* a ticketing system ("**Help Desk**"). The Help Desk allows for an unlimited number of End-Users to open tickets, but only an End-User with a Help Desk-agent subscription ("**Help Desk-Agent**") can handle tickets. Currently one (1) Help Desk-Agent is made available as part of the Product without any additional charges. Licensee can procure one or more additional Help Desk-Agents from Lansweeper subject to additional License Fees (as defined below). A Help Desk-Agent shall be considered a separate Paid Subscription and is granted for a limited Plan Duration and, if not renewed, the End User account linked to that Help Desk-Agent will revert back to a normal End-User once the Paid Subscription Plan Duration expires.

1.3 Freeware plans

A freeware version of the Product is offered to Licensee for download at no charge and subject to the termination modalities as set forth in article 4 (*Term and termination*) of these Terms ("**Freeware**"). Freeware has the following Scope of Use: scanning of up to a hundred (100) Assets, one (1) Scanning Engine. Lansweeper may change said Scope of Use at Lansweeper's sole discretion, by publishing the updated Scope of Use on Lansweeper's [Pricing Page](#). Licensee understands and agrees that Freeware does not include Support Services and fixes.

If Licensee would have used the Product under a Free Trial or Paid Subscription Plan, then the Product will automatically revert to the Freeware Subscription Plan upon the expiry date of Licensee's Free Trial or Paid Subscription Plan, without the need to perform a download. In such case, the abovementioned limited Scope of Use for Freeware will automatically apply.

2 SOFTWARE LICENSE

- First line support is made available to Licensee via the articles in Lansweeper's Knowledge Base (available via the following URL: <https://www.lansweeper.com/kb/>).
- Except for Freeware users and subject to the below-mentioned requirements and exclusions, second line support is provided via support@lansweeper.com (or any other communication medium chosen by Lansweeper). "Second line support" means monitored email support services whereby Lansweeper shall employ reasonable efforts to resolving Licensee's Valid Support Requests (as detailed below) related to the Lansweeper Product (subject to Licensee's compliance with the requirements, assumptions, and instructions as set forth in these Terms, which incorporate by reference Lansweeper's Documentation including the Knowledge Base), and shall entail reasonable advice and guidance concerning the use of the Product, and troubleshooting of the Product allowing Licensor to resolve the issue, either by providing Licensee with the possible steps to resolve the issue, or undertaking the necessary measures on Lansweeper's end and informing Licensee thereupon (hereafter: "**Support Services**"). More information can be found on Lansweeper's Support Page through the following hyperlink: <https://www.lansweeper.com/contact-support/> (or any other hyperlink provided by Lansweeper).
- In exceptional cases and Lansweeper's discretion, third line support may be provided by Lansweeper via an online meeting.

b) Support Services availability: Lansweeper provides Support Services Monday through Friday, from 09:00 AM till 05:00 PM, Central European Time (CET) (hereinafter: "**Business Hours**"); including during public holidays (worldwide), except for Christmas- and New Year's Day (hereinafter: "**Service Time**"). Central European Summer Time (CEST) will be used during spring to summer months.

c) Requirements and exclusions: Lansweeper will only provide the Support Services when: (i) Licensee's Lansweeper Installation and, if applicable, Licensee's LsAgent installation is updated to the latest and the most current version; (ii) Licensee did not make any modifications to Licensee's Lansweeper Installation, where "modifications" mean: changes or additions that are not entailed in Lansweeper's Documentation or that are made outside of the Product's configuration settings; (iii) Licensee uses the Product in accordance with these Terms (including Documentation); (iv) Lansweeper received the support request in English from valid Licensee End-Users who have identified themselves by providing their order reference number; and (v) first line support made available through Lansweeper's Knowledge Base has been exhausted. Further, Lansweeper does not provide Support Services in relation to Licensee's "custom actions" and "automated software deployment" as defined and described in Lansweeper's Knowledge Base, as well as any Product API integrations that may be built. Support requests that meet the foregoing requirements and exclusions are hereafter defined as "**Valid Support Request**".

- d) Cooperation: Licensee shall cooperate with Licensor in the performance of the Support Services by providing reliable, accurate, and complete information regarding Licensee's Valid Support Request, and Licensee recognize that the delivery and the quality of the Support Services depend thereon. If Licensee do not provide us with such information as reasonably requested by Lansweeper, Lansweeper might not be able to assist Licensee with the resolution of Licensee's Valid Support Request. In such a case, Lansweeper reserves the right to close Licensee's unresolved support case.
- e) Severity levels: Upon receipt of a Valid Support Request, Lansweeper shall determine in good faith the severity level of the request in accordance with the following criteria: (i) "**High**" means that the Product or a major part of the Product is not functioning; (ii) "**Medium**" means that there is a malfunction in the Product which degrades the Product's performance or functionality, affecting Licensee's usage of the Product; (iii) "**Low**" means issues or questions with no or limited impact on the functioning of the Product, such as e.g. SQL query requests (subject to the provisions as set forth in these Terms) and change or improvement requests in relation to the Product. Without prejudice to the foregoing, Licensee is allowed to give an indication of the severity level Licensee deems applicable to Licensee's Valid Support Request, which may be taken into account by Licensor when Lansweeper determines the severity level of Licensee's Valid Support Request. By way of example, please refer to Lansweeper's [Support Page](#) where Licensee can find non-exhaustive support request examples with the respective severity level assigned to them.
- f) Response time: Lansweeper shall employ reasonable efforts to meet the following initial response times to respond to Valid Support Requests, according to the severity levels as determined above:
- High: 4 Business Hours, during Service Time
 - Medium: 24 Business Hours, during Service Time
 - Low: 40 Business Hours, during Service Time

Response time exclusions: Valid Support Requests in relation to Beta Releases as well as Valid Support Requests coming from Free Trial users are excluded from the above response times. Said requests are handled by Lansweeper but Lansweeper does not warrant any response times.

Confirmation of receipt: the response time starts to run, during Service Time, as from the moment that Licensee receives an automated confirmation of receipt email from Lansweeper. Said automated email will entail: (i) first guidance on how to possibly resolve the issue; and (ii) an overview of the additional information Licensee may submit to Licensor to facilitate the resolution of Licensee's Valid Support Request.

Initial response: the initial response to the concerned Valid Support Request will entail, at Lansweeper's discretion: (i) possible solutions which should allow Licensee to resolve the issue; and/or (ii) a request for more information, if no possible solutions can be provided based on the information available at that point. The above response times shall not apply to: (i) Feedback requests or suggestions; and (ii) Beta Releases.

- g) SQL query requests: Licensee is entitled to request SQL queries that Licensee would like to import into Licensee's IT Asset Discovery Software installation, that cannot be found in Lansweeper's [report library](#), up to a maximum of 5 requests during the term of these Terms. Lansweeper shall only handle such requests if these can be executed with basic SQL techniques.

4 TERM AND TERMINATION

4.1 These Terms

These Terms shall be in force on the Order date or the date of Licensee's acceptance as detailed in the heading of these Terms (whichever comes first), and are in effect as long as an existing Subscription Plan is in place, unless terminated in accordance with these Terms.

- e) there is a material change in the Licensee's management, business, assets or shareholdings where a competitor of Lansweeper has obtained control over Licensee, where 'control' is defined as the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of an entity through majority ownership of voting securities or otherwise; or
- f) Lansweeper ceases to offer the Product or any Subscription Plan subject to a notice period of forty-five (45) calendar days to be respected by Lansweeper; or if Lansweeper's right or ability to offer the Product or Subscription Plan is restricted, suspended or terminated (whether pursuant to applicable law or core dependencies on third parties).

In the latter case of point f), if Licensee entered into a Paid Subscription, Licensee is entitled to receive a pro-rated refund based on the unused portion of Licensee Plan Duration, unless such termination happened with a prior notice of forty-five (45) calendar days prior to the expiry date of Licensee's Paid Subscription Duration.

5.1 License Fee

Licensee agrees to pay the license fee as applicable per the Specific Terms of Licensee's Paid Subscription ("**License Fee**"). All amounts are non-refundable, non-cancellable and non-creditable. In making payments, Licensee acknowledges that Licensee is not relying on future availability of any Product or Paid Subscription or any Product updates or feature enhancements.

Free Trial and Freeware Subscription Plans are offered free of a License Fee.

5.2 License Fee rate changes

Lansweeper may change Lansweeper's unit price for the Paid Subscriptions of the Product ("**Unit Price**") at any time. Notwithstanding the foregoing, if Licensee has a current Paid Subscription, Lansweeper may only change Lansweeper's Unit Price and consequently Licensee License Fees upon renewal of Licensee's Paid Subscription Plan, subject to a prior notice of forty-five (45) calendar days to be respected by Lansweeper, in the following cases: (i) if Lansweeper adds or has added new or improved features to the Product; (ii) to the extent the costs of providing the Product have increased accordingly; or (iii) in response to market changes. If Licensee does not agree to the License Fee change, Licensee may cancel Licensee's Paid Subscription with a prior notice of thirty (30) calendar days before expiry of Licensee's Paid Subscription Plan Duration. Said prior notice must be given by notifying Licensor through the following webform available via <https://www.lansweeper.com/renew/contact/> (or any other hyperlink or communication channel provided by Lansweeper).

5.3 Orders

Paid Subscriptions for the Product can be ordered through following procedures: (i) placing an order directly through Lansweeper's website; (ii) requesting an automatic quote through Lansweeper's website; or (iii) requesting a custom quote from a Lansweeper sales representative.

Unless explicitly otherwise agreed upon in the Specific Terms, Lansweeper shall apply the following currencies for its License Fees, based upon the country of the Billing Contact address provided by Licensee: United Kingdom: GBP; United States, Canada and Latin America: USD; rest of the world: EUR.

Lansweeper quotes are only valid when issued by a Lansweeper sales representative and are noncommittal and do not create any agreement between Licensee and Lansweeper, until the quote and these Terms (which are incorporated by reference into the quote) are acknowledged and accepted by Licensee. Quotes are only valid for a limited duration as indicated on the quote. If no such term is provided on the quote, the quote shall only be valid for thirty (30) calendar days as of the date of the quote.

Purchase orders issued by Licensee are not binding upon Lansweeper, unless duly acknowledged and accepted by Lansweeper and following Licensee's acceptance of these Terms. All purchase and other conditions of the Licensee, irrespective of their name or the way they are transmitted, are expressly excluded and shall be null and void. Lansweeper may refuse any purchase order which includes any Licensee's terms and conditions.

In the event Licensee's order provides a separate Billing Contact, Licensee remains ultimately responsible for payment of the License Fees.

5.4 Extended Scope of Use of Paid Subscription

During the Plan Duration of Licensee's Paid Subscription, Licensee may increase the amount of Assets or add Help Desk-Agents. In such case, Licensee can request a quote through the following webform available via [Lansweeper.com/price-quote](https://www.lansweeper.com/price-quote) (or any other hyperlink provided by Lansweeper). To obtain a unified Plan Duration for the extended Scope of Use, Licensee will have the following options:

- make the Plan Duration for the existing Scope of Use coterminous with the Plan Duration for the added Assets and/or Help Desk-Agents. Concretely, this implies the starting a new Plan Duration for the extended Scope of Use. In such case, the unused portion of the existing Paid Subscription will be credited from the amount due for the added Assets and/or Help Desk-Agents; or
- make the Plan Duration for the added Assets and/or Help Desk-Agents coterminous with the existing Plan Duration for the already existing Scope of Use. In such case, the License Fee for the added Assets and/or Help Desk-Agents will be calculated on a pro rata basis for the remaining duration of the existing Plan Duration.

Further, Licensee may amend Licensee's Scope of Use at the start of Licensee's next Renewal Period. In such case, Licensee must request a quote through the following webform available via [Lansweeper.com/price-quote](https://www.lansweeper.com/price-quote) (or any other hyperlink provided by Lansweeper) at least fifteen (15) calendar days before the expiry date of Licensee's Paid Subscription Plan Duration.

5.5 Payments and taxes

Payment term. The payment term depends on Licensee's payment method and is detailed here below. Licensee acknowledges and agrees that invoices may be sent through electronic means.

- Credit card and online payment solutions as indicated on Lansweeper's Website: real time payment.

Additionally, a flat-rate indemnity of 10% of the invoice amount is due, with a minimum of 250 EUR, which shall be payable automatically and without notice, notwithstanding Lansweeper's right to claim for a higher indemnity, subject to reasonable proof provided by Lansweeper of higher incurred damages. Lansweeper is at all times entitled to recover the accrued recovery costs arising from late payment by Licensee. If instalments of payment are made or bills of exchange are signed, either subject to these Terms or in another agreement between Lansweeper and Licensee, then all amounts owed by become due, automatically and without notice. However, in the event the payments are charged via Lansweeper's e-commerce partner, their terms of payment apply.

Taxes. All License Fees indicated on Lansweeper's website or other offers, are exclusive of VAT, applicable sales taxes and any other applicable taxes. Licensee must pay any applicable taxes and third-party fees (including, for example, telephone toll charges, mobile carrier fees, ISP charges, data plan charges, credit card fees, foreign exchange fees, foreign transaction fees, and bank charges). Lansweeper is not responsible for these fees. If Licensee is located in a different country than Licensor or Lansweeper's e-commerce partner, Licensee's payments will be made to a foreign entity. In the event any withholding tax (meaning any income, sales, use, gross receipts, business, occupation and other taxes and similar charges imposed by any government or other authority on Lansweeper in which Licensee is required by law to withhold or deduct on the License Fee payment to Lansweeper) is levied on the License Fees, then Licensee shall increase the sums paid to Lansweeper so the amount received by Lansweeper after the withholding tax is deducted is the full amount Lansweeper would have received if no withholding or deduction had been made. Lansweeper may apply and charge these withholding taxes back to Licensee, after Licensee has made the payment for a Paid Subscription (gross-up) where withholding taxes were withheld by Licensee. Notwithstanding the foregoing, Licensee and Lansweeper will cooperate to avoid any withholding tax if exemptions, or a reduced treaty withholding rate, are available. If Lansweeper qualifies for a tax

exemption, or a reduced treaty withholding rate, Lansweeper will provide Licensee with reasonable documentary proof. However, in the event the License Fees are charged via Lansweeper's e-commerce partner, their tax provisions apply.

In case of late payment, Licensee's license key for the Renewal Period will start retroactively on the start date of Licensee's Renewal Period.

By way of exception to the above, the following provisions apply if Licensee has placed a valid purchase order with Licensor which is duly acknowledged and accepted by Licensor at its discretion:

Licensee will first receive a temporary 30-day license key. Upon receipt of payment of the License Fees within due time, Licensee will receive a full license key covering the remainder of the Paid Subscription Plan Duration. - e) If Licensee are entitled to receive a refund under these Terms, then Lansweeper will pay the refund to Licensee's Reseller and Licensee's Reseller will be responsible for paying the refund to Licensee;

 - Prior notice terms for cancellation of Licensee's Paid Subscription Plan;
 - Delivery of license key; and
 - Provisions regarding order placement, payment and taxes.

For clarity purposes, Lansweeper's Resellers are not authorized to:

- c) Make promises or commitments on behalf of Lansweeper.
